

Make Smoking History Targa West is the only motor sport event with approval to race in Perth CBD and has consistently drawn interest from a wide demographic since the inception of this Leg of the event in 2010.

As Make Smoking History Targa West City Sprint is now an acknowledged highlight of the City of Perth Event Calendar consistently drawing large crowds of motor sport enthusiasts City of Perth has requested Make Smoking History Targa West expand the event to include not only the Sprint and Shannon's **Classics on the Park** but also a static and interactive Celebration of Motorsport display suitable for all ages.

The Celebration of Motorsport, to take place on Langley Park on Sunday 12th August 0800-1600 is free to the public and at no cost to anyone displaying or promoting motorsport.

We are looking to attract exciting, competitive vehicles and related products for display to like-minded enthusiasts and the public of all ages gaining recognition of motorsport and in so doing so enable clubs, related businesses and individuals to leverage the promotion of this sport.

The Celebration of Motorsport held during the Make Smoking History Targa West Sprint will be promoted through 96 FM, social media and print advertising – we hope you will join us this year and in the future.
